

TRAVEL WITH HEARING LOSS OR BEING DEAF

IMPORTANT INFORMATION

I am deaf / hard of hearing. If there is a person who knows sign language please bring me to him or her.

My English is not sufficient to explain the necessary you need to know about my condition. I do understand basic English, please write down your question.

I need help to find my way around the airport / train station. Please take me to where I need to go (taxi | platform to get my train | tourist information | airport gate).

My knowledge of the language in this country is limited, so is my knowledge of English. Your assistance would be really helpful.

I have official documents needed to travel:

A letter from my doctor/specialist
my Medical Passport (medical information)
